

Universal Floor Polish

Roberts® R8250 is a commercial strength floor polish for use on vinyl composition tile (VCT), vinyl tile and plank, prefinished hardwood and ceramic tile. R8250 quickly restores luster and shine to floors!

R8250 may also be high-speed buffed to a high gloss.

Features:

- Easy to apply
- Low odor, water-based formula
- Polishes up to 2000 sq. ft. per gallon

General:

Not for use on unfinished wood or unsealed floors.

Prior to application, clean floor thoroughly and allow floor to dry completely.

Physical Characteristics:

Color: Milky white; dries clear

VOC: 38 g/L

Flash Point: > 200°F TCC

Shelf Life: One year in unopened container

Application Instructions:

Apply polish to a small section of the floor.

Using a slightly damp microfiber pad or similar applicator pad, spread the polish until it is evenly worked into the flooring. Make sure to work with the grain when polishing wood. R8250 can also be high-speed buffed to a high gloss. Note: Use a clean pad to apply Roberts R8250 (do not use the same pad that was used for cleaning the floor).

Continue working in small sections until entire floor is polished.

Allow floor to dry a minimum of 1 hour before walking on the floor. If more gloss is desired, a second coat may be applied after 2 hours. Allow floor to dry for 24 hours before replacing furniture and rugs on floor and before allowing heavy foot traffic.

For application questions not covered please contact our Technical Services Department at (706) 277-5294.

Limited Warranty:

Roberts warrants that this product will be free from manufacturing defects for 12 months from the date of purchase, when applied in accordance with Roberts' instructions and industry standards. Roberts' sole liability is to either supply new product or refund the original purchase price. **This limited warranty excludes all other express warranties including the warranties of merchantability for a particular use or purpose.** Any implied warranties arising by operation of law are limited to one year.
